

COMPLETE MEDICAL'S PHYSICAL THERAPISTS – 215,325

This database consists of professionals who are trained and certified by a state or accrediting body to design and implement physical therapy programs. Physical Therapists may work within a hospital or clinic, in a school providing assistance to special education students, or as independent contractors. They are ideal prospects for continuing education programs and training seminars. Their disposable income makes them an attractive target audience for all types of consumer offers.
